ES-PSD5030T - Pivot Door

M|R Walls

Design without limits. Install without seams.

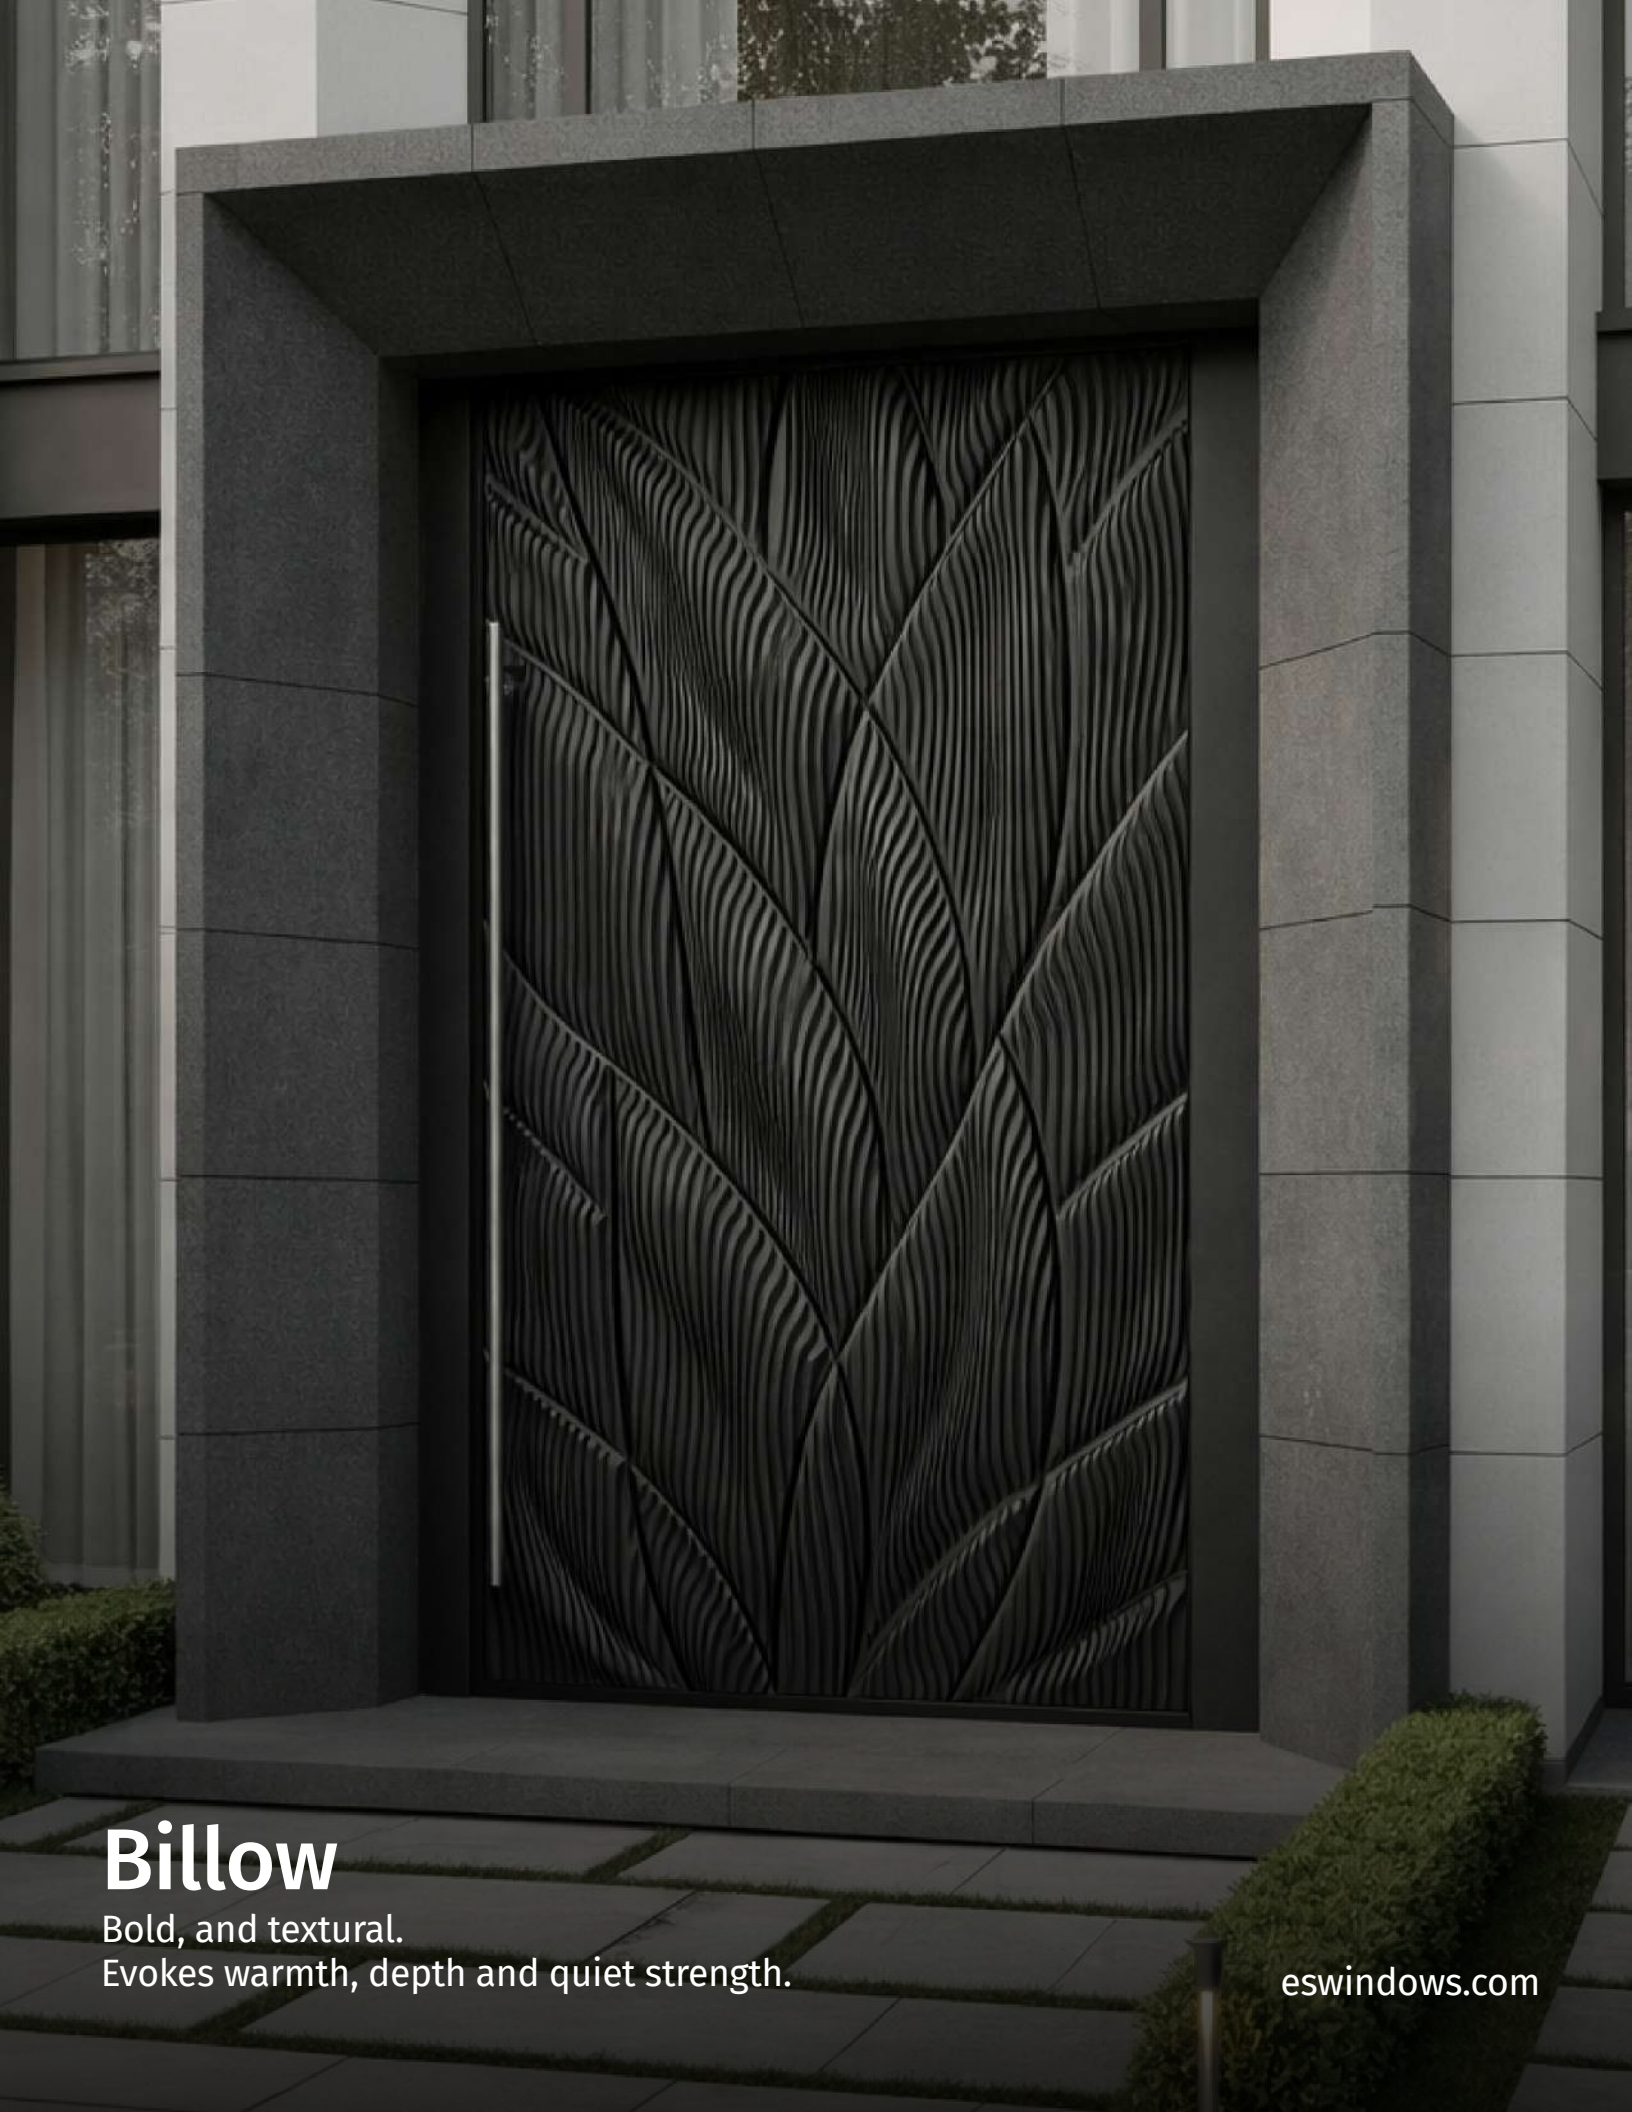
M|R Walls turns walls into works of art.
Our patented 3D textured surfaces are bold, durable, and fully custom-engineered to impress in any space, from luxury lobbies to high-traffic hallways.

No repeats.
No visible seams.
Just stunning surfaces that flow beautifully and feel as good as they look.

Whether you're dreaming of a custom texture, your brand carved in stone, or an entirely new design, our team makes it easy. Share your idea, and we'll take care of the rest. From digital concept to ready-to-install panels.

M|R Walls delivers a turnkey experience that blends creativity
with technical excellence.

Transform Surfaces into Statements



Billow

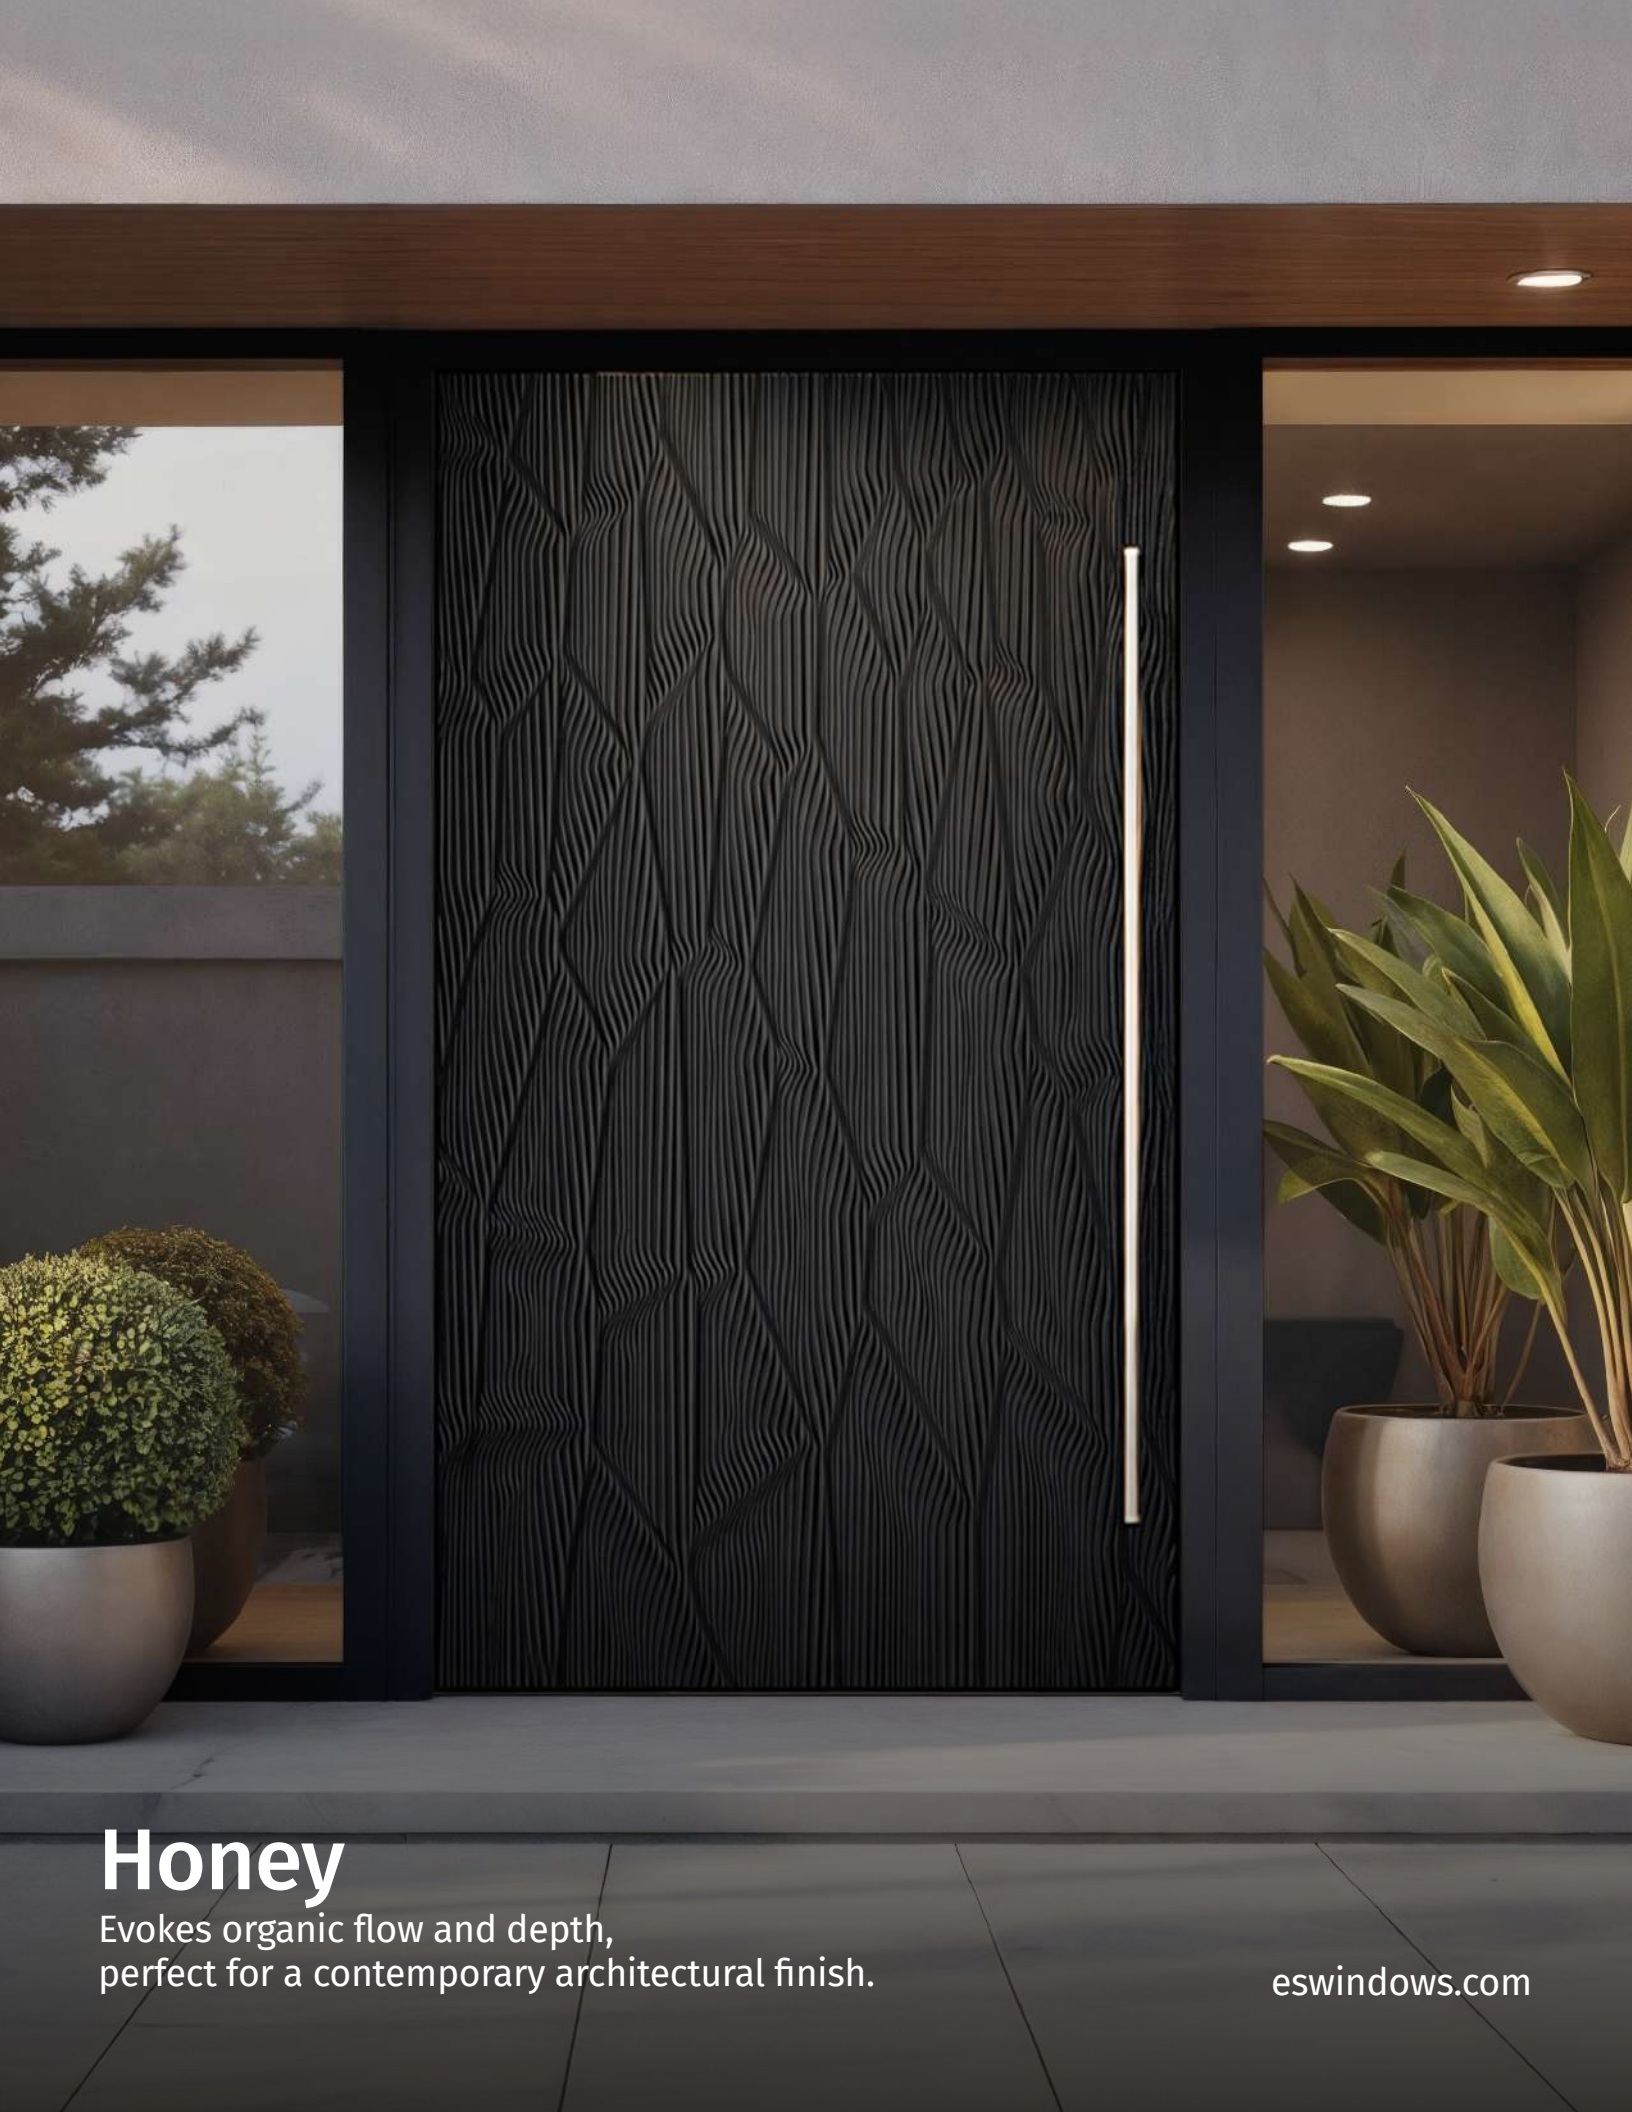
Bold, and textural.
Evokes warmth, depth and quiet strength.

eswindows.com

Halo

Lightness, elegance and purity in form.

eswindows.com



Honey

Evokes organic flow and depth,
perfect for a contemporary architectural finish.

eswindows.com

Veil

Evokes subtlety and layers,
perfect for a fine-textured door.

eswindows.com

Lake

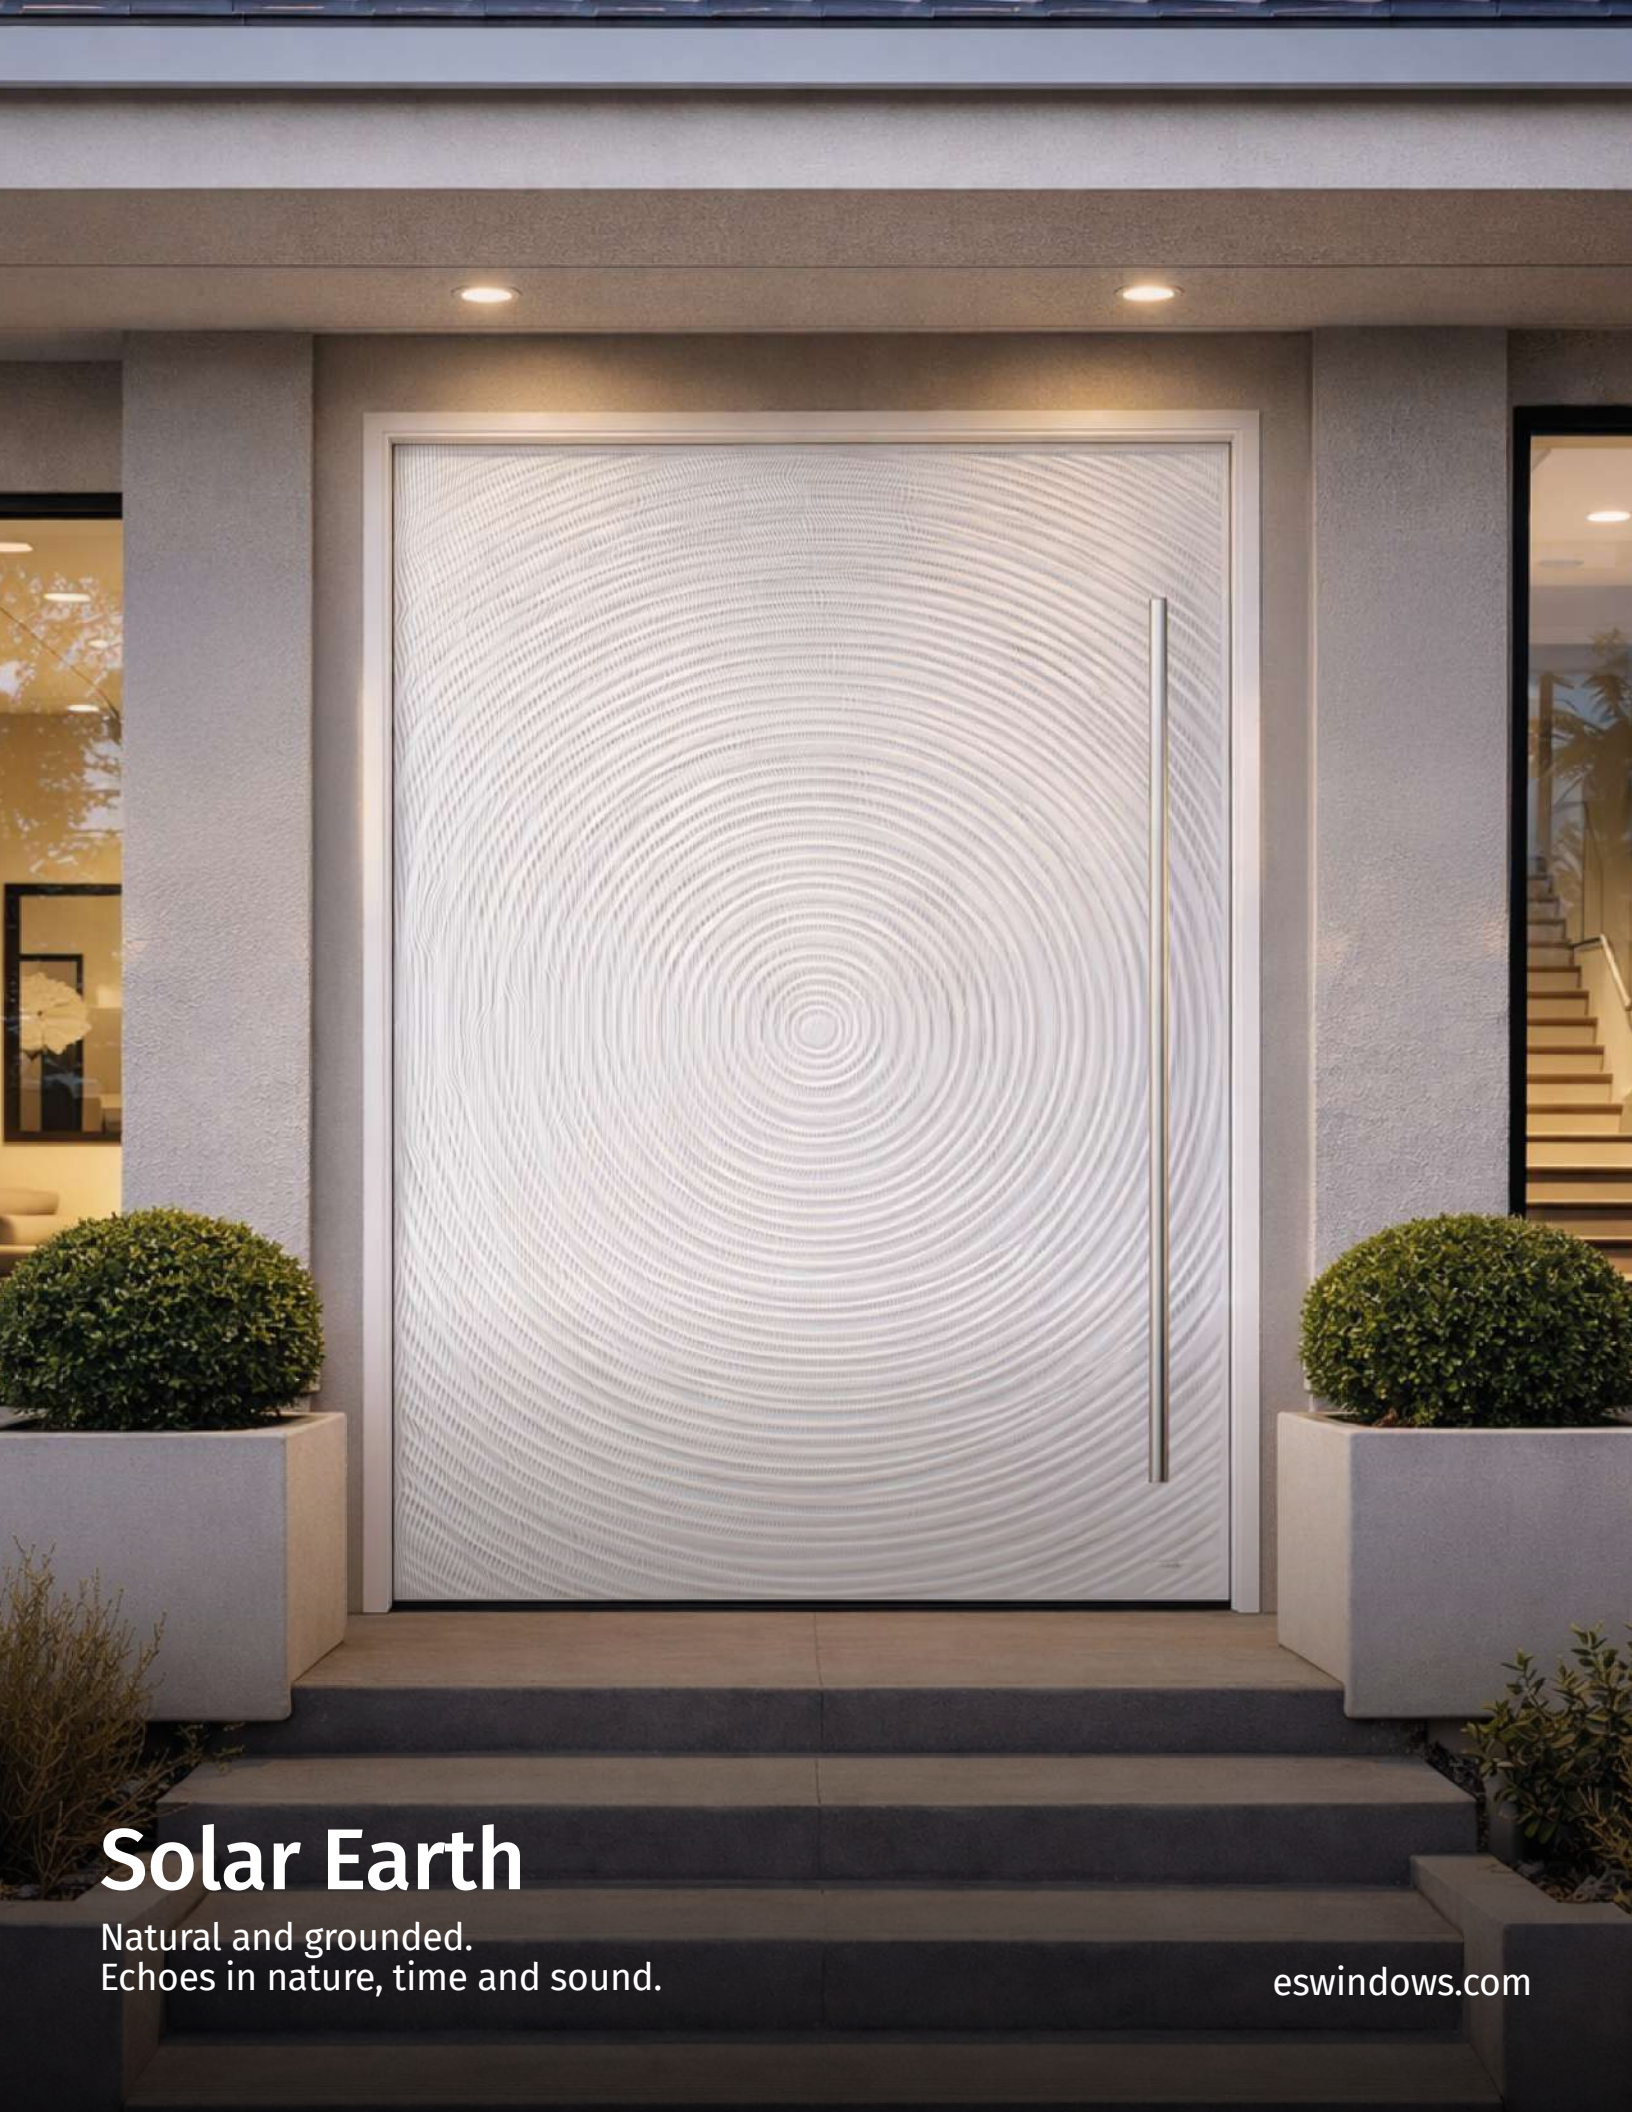
Captures the smooth,
serene motion of the texture.

eswindows.com

Axis

Strong, architectural, that compliments
the rhythmic, directional linear texture.

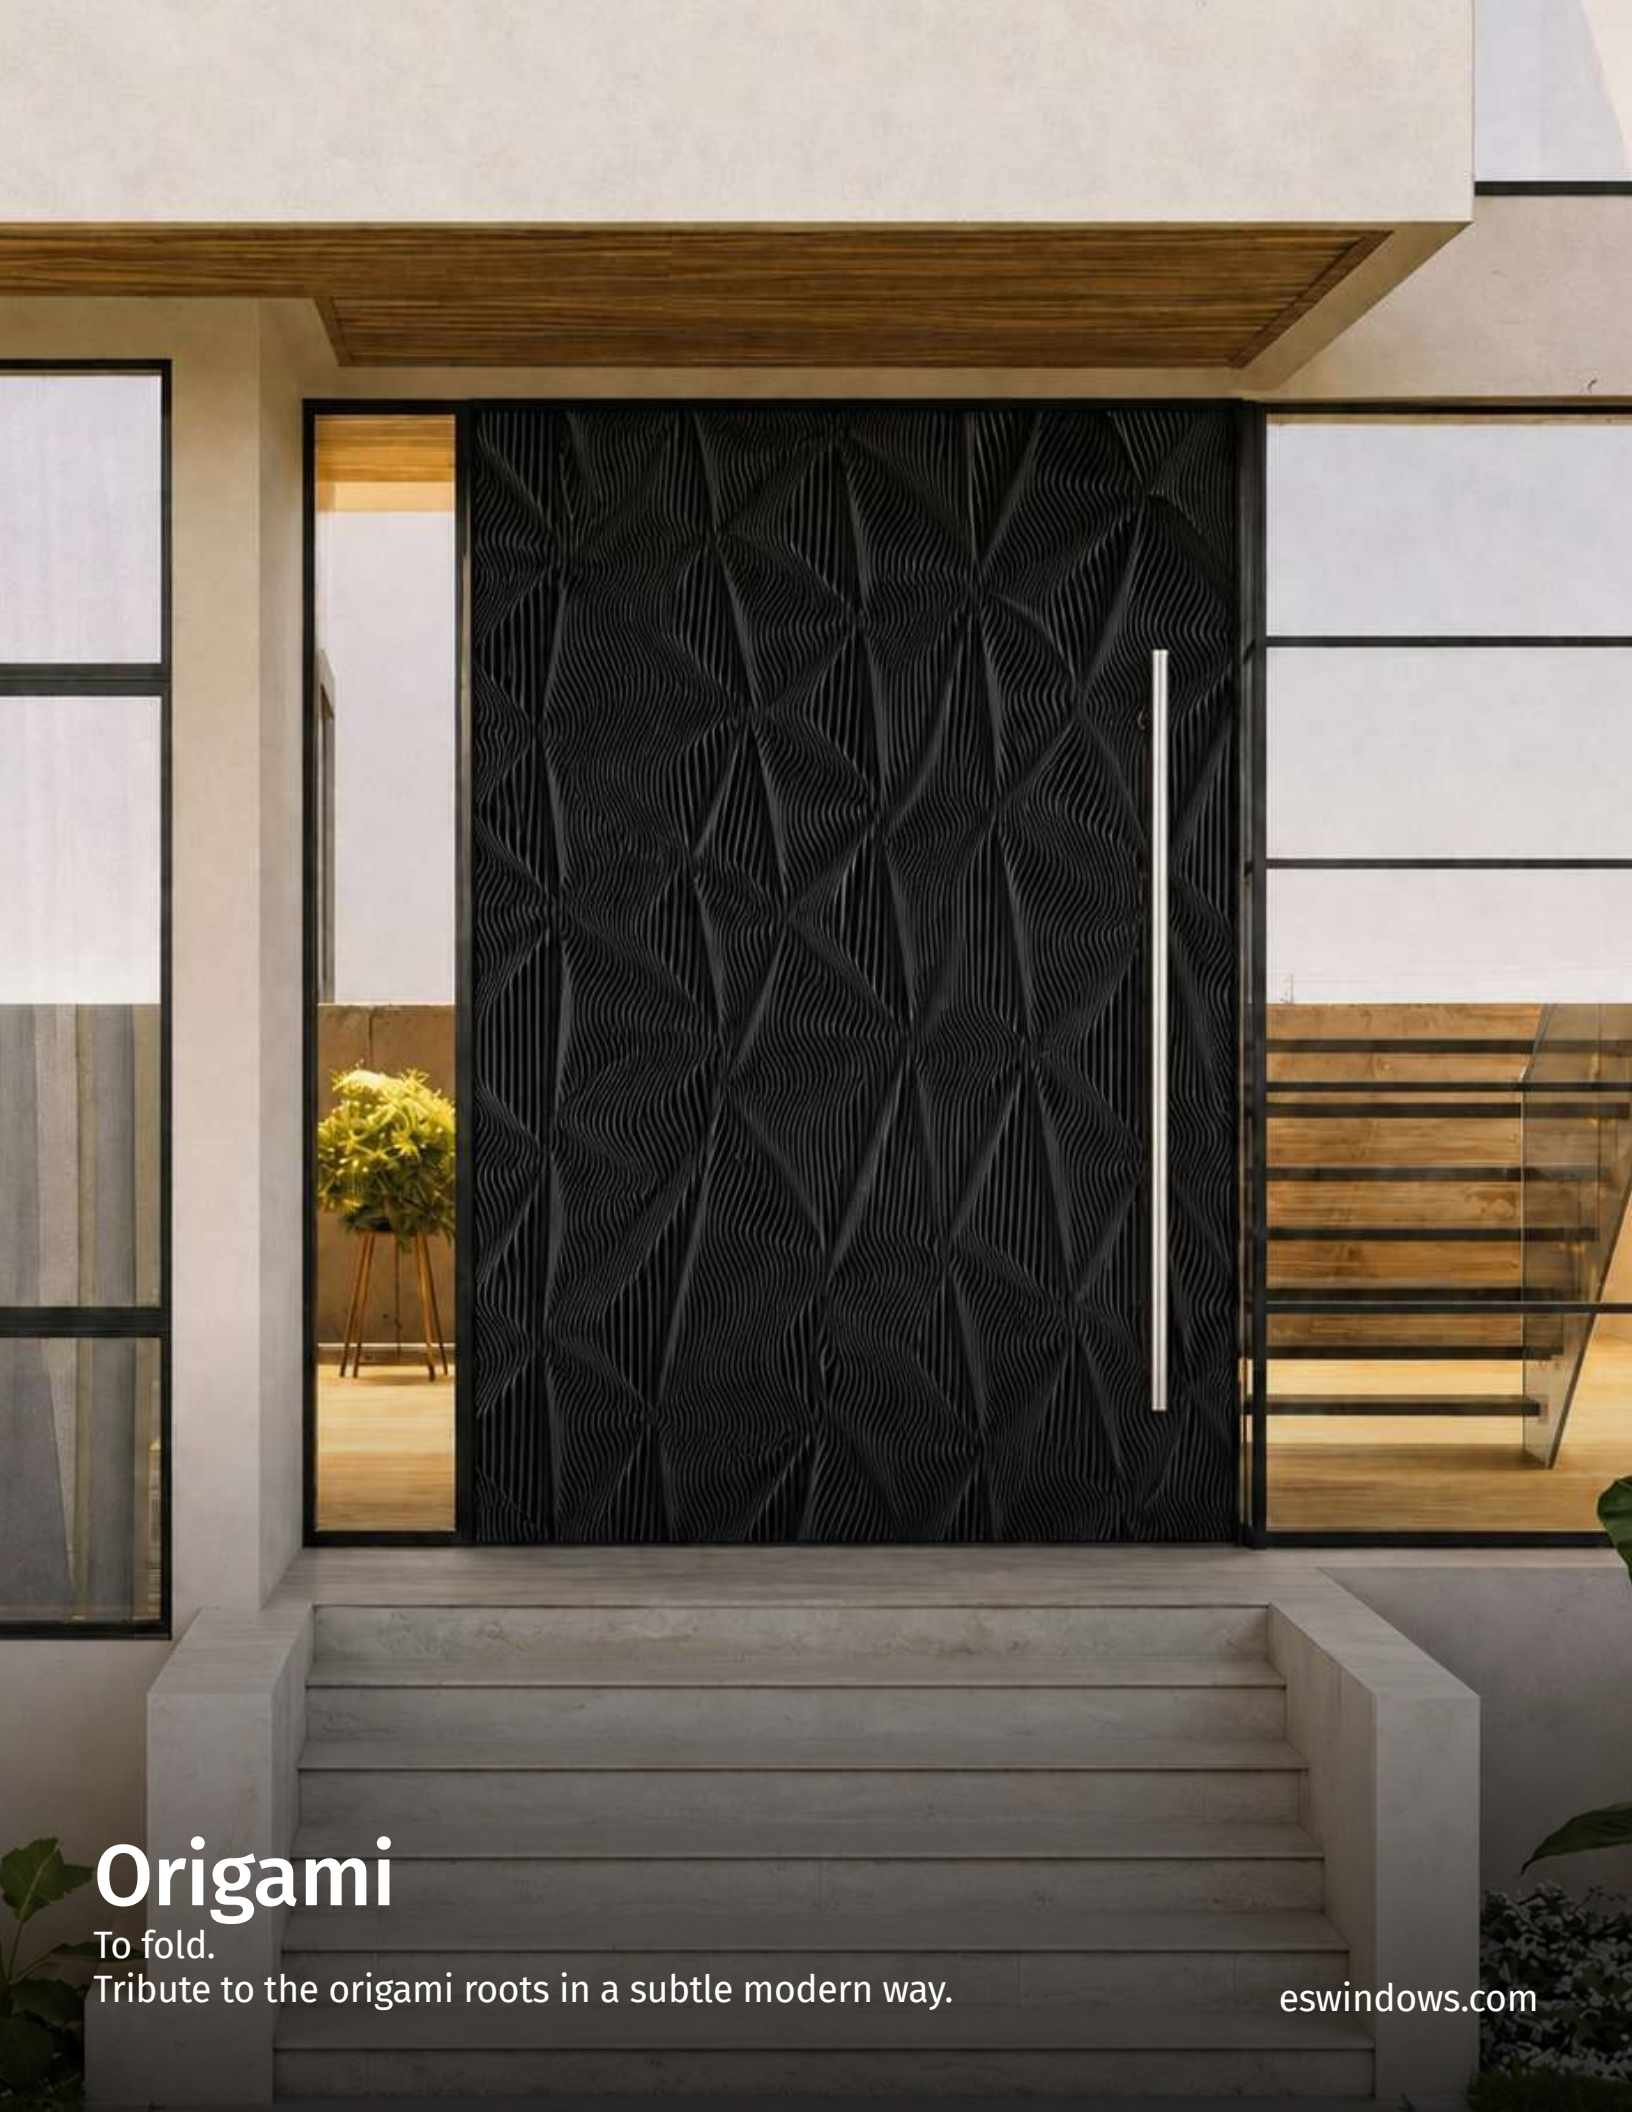
eswindows.com



Solar Earth

Natural and grounded.
Echoes in nature, time and sound.

eswindows.com



Origami

To fold.
Tribute to the origami roots in a subtle modern way.

M|R Walls

Main Resources

UV Resistant
Protection against U.V. discoloration, assuring color stability ove time.

Anti Graffiti*
Allowing paint removal.

Impact Resistant
Due to its high impact resistance, it can be exposed to high traffic areas, such as sports areas.

Fire Resistance
Complying with NFPA 285 standard.

Warranty
10 years warranty for all references.

M|R Walls

Standard Installation Process

Seamless
Inconspicuous seams can be achieved with Color-coordinated Joint Adhesive.

Durable
Always looks good as new and survives the impact of nicks and cuts from daily wear and tear.

Tough
Remarkably strong, doesn't delaminate and fluids.

Easy-to-Clean
Dirt or stains can't penetrate the surface and are easily removed with household cleaners.

Nonporous
The smooth surface is highly hygienic thus bacteria and mold have nowhere to grow.

Reparaible
Surfaces are renewable and repairable on-site to return them to mint condition.

Dampens Sound
Contributes to absorbing sound even in rooms full of people.

Trustworthy
Product warranty is standard for all Corian products and ensures that they will be free of manufacturing defects for a period of 10 years after purchase.
